The Long Hill Fire District, located in the Town of Trumbull Connecticut, requests statements of qualifications and Proposals from Design-Builders for the construction of a new Fire Station #2 located on our Main Street and Wilmot Avenue properties.

Such proposals will be received by the Long Hill Fire District, 5400 Main Street, Trumbull, CT, until 3:00 PM on September 15, 2016.

A. PROJECT DESCRIPTION

The Long Hill Fire District is seeking a design-builder for a new fire station located at 5400 Main Street, Trumbull. This site is directly adjacent to our current station #2, which will be demolished upon completion of the new building, and included as part of this contract. At this time, we anticipate the new building to contain 18,000 square feet with three apparatus bays, each two engines deep. The building will also include the district office and conference/meeting rooms for training and public use. A day room, kitchen, bunk area and locker room will accommodate 12 firefighters on a daily basis, with the option of housing up to 20 during times of disaster. A decontamination area, tool room and work area and storage room will be needed. We envision maximizing energy efficiency through our new HVAC and electrical services.

The design-builder will provide a single point of responsibility for all aspects of the project delivery including management of all owner soft costs, site investigations, permitting, design, construction commissioning, relocation and move-in.

The basic components of the Project are:

1. Single point responsibility for all aspects of the project delivery including management of all Owner site investigations, permitting, design, construction, soft costs, commissioning, and temporary relocations, complete construction and final move-in of the new Long Hill Fire Station #2.

2. Develop Guaranteed Maximum Price (GMP) proposals for the Long Hill Fire District.

3. The Contractor understands that $6.5 million dollars are available for this project in its entirety. The budget covers all but not limited to expenses such as architectural fees, construction improvements and a construction contingency, materials testing, construction administration, construction costs and FF&E (furniture, fixtures and equipment).
B. SCOPE

The Design-Build firm(s) selected by the Long Hill Fire District shall provide comprehensive professional services, including but not limited to the following:

**DESIGN AND PRE-CONSTRUCTION SERVICES:**

1. Assist the Owner in the preparation of a detailed Program and Scope of Work.
2. Conduct regular Owner meetings to solicit input from designated fire representatives at a minimum of twice per month. Incorporate their comments into the project scope.
3. Prepare a minimum of three (3) summary submissions for review by the Owner. Include technical as well as design drawings, technical specifications, and milestone budget and schedule updates.
4. Prepare a Project Phasing and Logistics plan.
5. Support the Owner at public meetings and the presentation of Project Criteria, cost estimating, phasing plans, etc. to fully inform the Owner/Public of project status, schedule and costs.
6. Prepare a Project Cost Estimate based upon the completed Construction Documents. Project Cost Estimate to include all anticipated hard costs, soft costs, and project contingencies for a turn-key project. Analyze and reconcile Project budget as needed.
7. Identify potential value enhancement solutions for Owner’s consideration.
8. Develop project master milestone schedule.

**BIDDING/PROCUREMENT:**

2. Develop and prepare Subcontractor Trade Packages for bidding, in a format mutually agreed to by the Long Hill Fire District and the Design Build team. Prevailing wage statutes will apply to this project, with Wage Rates to be established by the Connecticut Department of labor at time of bidding.
3. Prepare any applicable MBE/WBE and local work force development plans required by law.
4. Establish Bidder Qualifications and Issue Bid Packages.
5. Conduct pre-bid conferences.
7. Summarize/analyze the bids, present formal recommendations for contract awards and present a Guaranteed Maximum Price (GMP) proposal to the Owner.
8. Enter into trade contracts with the selected contractor for each bid package.
CONSTRUCTION

1. Provide performance bond for the benefit of Owner, in the full penal sum of the GMP.
2. Provide payment bond for the benefit of all subcontractors, in the full penal sum of the GMP.
3. Require first tier subcontractors to provide performance and payment bonds equal to their respective contract amounts.
4. All work shall be performed in compliance with all applicable federal, state and local regulations, ordinances, statutes, codes and laws.
5. Obtain all required and applicable State and local approvals and permits. All fees for local permitting will be paid by the Owner.
6. Conduct pre-mobilization meetings with trade contractors.
7. Establish, review and approve site specific safety planning and loss control plans.
8. Develop and maintain Critical Path Method schedule and report to Owner weekly as to schedule adherence. Update schedule as-needed to reflect actual progress and planning.
9. Implement and adhere to auditable Project cost reporting and cost control systems.
10. Conduct weekly Project team progress and coordination meetings and generate written minutes for each meeting within 72 hours of the meeting.
11. Provide full-time, on-site, Project Representation consistent with the work required and by competent personnel with prior knowledge of similar construction activities.
12. Contemporaneously record all daily job site activities in a written log or digital format.
13. Provide all Project Supervision and Coordination with subcontractors, and related trades vendors.
14. Responsible to sequence, schedule and coordinate all trade contractors.
15. Review, process and approve all Subcontractor Pay Requests.
16. Review and Coordinate all Shop Drawings, Product Data, etc.
17. Coordinate Requests for Information (RFI) from and responses to Trade Contractors.
19. Provide Monthly Project Reports, typed, bound, including digital photos of progress.
20. Establish and Monitor Project Quality Control and quality assurance Standards.
22. Review and recommend action on Change Order Proposals.
23. Coordinate all Building Inspections as required by the local authorities having jurisdiction.
24. Coordinate and Schedule all Project Testing.
25. Coordinate the work, services and/or products of all Third Party providers, including Public Utilities.
26. Provide all FF&E selection, bidding, procurement, installation, and Owner training.
27. Coordinate Project Turnover and Completion. Coordinate and assemble electronic library of all O&M Documents, as-builts, warranties, guarantees, manuals, special reports and the like and provide same to Owner at final completion.
28. Provide Move Management for the planning and implementation of the Fire District/Department relocation of equipment and personnel to the new building.

III. MISCELLANEOUS

The contract between the parties shall be based upon an AIA A141 format, as modified by the Owner. The Long Hill Fire District, its officers, directors, agents, servants and/or employees as well as its authorized agents will not be responsible for any and all damages for delay, regardless of the cause of delay, and no consequential damages of any type. All Change orders must be in AIA documentation form also and approved by the owner.

The Design-Build team shall include the following professional services in a comprehensive turn-key project delivery:
1. Design team consisting of Project Architect, Structural Engineer, MEP/FP Engineer, Interior Designer, and any special expertise required by the program such as acoustics, console furniture, FFE, Integrated Technology, or others;
2. Construction subcontractors and DB oversight/management team;
3. Commissioning Agent;
4. Move management and moving company.

The Authorization for the Project is approved through the Design Phase only. Additional Authorization for the Bidding Phase and Construction Phase will be provided following the Design-Build Contractor’s submission of a Project Cost Estimate following the Design Phase, Owner’s review, Owner’s funding approval, and Owner’s written authorization to proceed.

The following timeline has been tentatively established:
Statements of Qualifications/Proposals due – SEPTEMBER 15, 2016 BY 3:00 PM
Notification of Interviews – SEPTEMBER 16, 2016
Interviews of Selected Firms – SEPTEMBER 19, 2016
Execution of Contract – SEPTEMBER 26, 2016

All inquiries relative to the conditions and specifications listed herein as well as clarification of any information contained or referenced in this RFP must be directed to Commissioner John Mellardo at JMellardo@longhillfd.com in writing by email no later than September 12, 2016 at close of business at 4:00 pm. No phone calls will be accepted.
IV. SUBMISSION FORMAT

Proposals should be received by the Long Hill Fire District Office Manager, Kathy Wakeley (5400 Main Street, Trumbull, CT 06611) by 3:00 PM on September 15, 2016. All firms responding to this solicitation are required to submit Three (3) copies of their proposal in sealed envelopes and marked with the RFP title and due date/time. The candidates name and address must appear on the sealed envelope.

Submissions should put forth full, accurate, and complete but concise information as required by this request. Design Build teams will be evaluated and award is based upon the following information, with the possibility of personal interviews during at a date to be determined.

1. Cover Letter – This should include your company name, address, telephone and proposed project representative. Indicate your commitment to the Project and how you will exceed the Long Hill Fire Districts expectations. Indicate your Design Build Team’s familiarity with similar projects of this size, scope, and complexity.

2. Company Information (1 to 2 pages) - Provide a brief summary of your company, including the following information:
   - Name of company and parent company, if any;
   - What is the date the company was established and in what State(s);
   - Any prior name(s) by which you have been known and the years during which such name(s) was used;
   - Name(s) of any subsidiary or other company owned or controlled by you;
   - Names, titles, reporting relationships, and background and experience of the principal members of the company, including officers. Indicate which individuals are authorized to bind the company in negotiations with the Long Hill Fire District;
   - Identify company’s primary areas of service;
   - Address of principal office and office from which the Project will be managed;
   - Name, address, telephone number and email address of the principal contact person to receive notifications and to reply to inquiries from the Long Hill Fire District;
   - Legal form of ownership. If a corporation, where incorporated; and
   - Years engaged in above services under its present name.

3. Executive Summary and Fee Proposals – Identify key amenities provided that distinguishes your team’s proposal from other Design-Builders and include your professional fees as a Percentage of the total project cost. Provide clear documentation of what services are included within professional fees and what costs are designated as General Conditions.
4. Organization and Staffing – Provide a brief history of your team members along with your proposed project team organization.

5. Provide an organizational chart for the staff for this project, including any consultants. Provide a brief description of projects similar to this assignment in which the key personnel have worked together as a team and identify each individual’s role on the representative projects listed by you.

6. Include professional resumes for each individual proposed. Resumes should include roles and responsibilities and similar project experience.

7. It is a requirement of this RFP that assigned staffing for the project remains involved from design through construction and closeout. Describe your proposed personnel’s current project commitments and how you will maintain consistent leadership throughout the assignment.

8. Relevant Experience – Provide descriptions of five (5) projects for which you have provided similar services (i.e. similar to the District funded construction Projects) within the last ten (10) years. Two (2) of the five (5) projects must consist of public safety buildings within Connecticut. Each project should include pertinent information such as the project type, size, and scope of work performed and any key features, as well as Owner and A/E contact information for each project.

9. Describe your experience promoting the participation of local vendors, suppliers, subcontractors, and trade labor in projects of this type.

10. Disclose/identify schedule performance, change orders as a percentage of original project cost and describe any claims that were made on the listed projects, including mediation, arbitration and/or litigation, and the disposition of such claims.

11. References – Please submit the contact information for three (3) Owner references who can attest to your expertise in managing similar projects, preferably in public safety facility construction. Please include their name, current title, telephone number, email and identification of project or projects referenced. Please note it is the District’s intent to communicate with the references listed herein.

12. Bonding, Safety Record, Claims, Disputes, and/or OSHA Violations – Provide your current year Experience Modification Rating (EMR) on the letterhead of the recognized rating agency, and a listing of your EMR rating for the past five (5) years.

13. Provide a letter from your Bonding Company indicating your ability to provide a Performance and Payment bond for the total cost of the project, including all soft costs.

14. Provide your litigation history for the past five (5) years and describe any current outstanding claims, disputes, arbitrations, or legal proceedings that involve your firm.

15. Describe any OSHA violations that have occurred on your projects in the last five (5) years with information regarding the status of each even if they are pending.

16. Quality Management: Provide a synopsis of your quality management plan for the Project, especially with regard to safety procedures, scheduling, cost control, and coordination of trade contractors.
17. Project Approach and Methodology - Provide a description of the proposed technical approach to the Project, including the identification of any unusual circumstances or anticipated problems and proposed solutions. The information will be used by the Long Hill Fire District to assess your understanding of the Project and its methodology.

18. Workload Statement – Provide details on your current and future anticipated workload and ability to provide this Project the attention it requires between now and scheduled completion date.

19. Work Regulations, Wages and Standards - All work activities performed in association with this request must be performed and completed for the Long Hill Fire District in accordance with current Federal, State and Local regulations. State of Connecticut Prevailing Wage standards apply for this project. All services performed shall also conform to the latest OSHA standards and/or regulations.

V. METHOD OF SELECTION

The Respondents will be evaluated by the Long Hill Fire District based upon the Respondents’ qualifications and proposal, including compliance with the requirements set forth above herein. The Long Hill Fire District Commission will give a letter of award to the selected vendor(s) and it will be good up to 3 years at the sole discretion of the Long Hill Fire District.

The award of the contract for the Project(s) (when projects become available) shall be made, if at all, to the respondent whose evaluation by the Long Hill Fire District results in an award that the Long Hill Fire District deems to be in its best interests. The Long Hill Fire District reserves the right to reject any or all of the RFP responses, or parts thereof, and/or to waive any informality in any of the responses or proposals resulting from this RFP if such rejection or waiver is deemed in the best interest of the Long Hill Fire District. By submitting a proposal, you agree that neither the Long Hill Fire District, nor any of their respective officers, directors, employees or authorized agents shall be liable for any claims or damages resulting from the evaluation, selection, non-selection or rejection of any proposal submitted in response to this RFP.

VI. GENERAL TERMS AND CONDITIONS

All Respondents must be willing to adhere to the terms and conditions of this RFP, including the following, and must positively state their acceptance and compliance with them in their response to this RFP.

1. Acceptance or Rejection by the Long Hill Fire District – Long Hill Fire District reserves the right to accept and/or reject any or all qualification statements and proposals submitted for consideration to serve the best interests of the Long Hill Fire District.
2. **Ownership of Documents** – All qualification statements and proposals submitted in response to this RFP become the property of the Long Hill Fire District and are subject to the Connecticut Freedom of Information Act, C.G.S. Sections 1-200, et seq.

3. **Ownership of Subsequent Products** – Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP becomes the property of the Long Hill Fire District unless stated otherwise in the RFP or contract.

4. **Timing and Sequence** – Timing and sequence of events resulting from this RFP will ultimately be determined by the Long Hill Fire District.

5. **Oral Agreements** – The Long Hill Fire District will not be responsible for any alleged oral agreement or arrangement made by a Respondent with any agency or employee.

6. **Amending or Canceling Requests** – The Long Hill Fire District reserves the right to amend or cancel this RFP prior to the due date and time, if it is in the best interest of the Long Hill Fire District to do so.

7. **Rejection for Default or Misrepresentation** – The Long Hill Fire District reserves the right to reject the proposal of any respondent that is in default of any prior contract or for misrepresentation.

8. **Clerical Errors in Awards** – The Long Hill Fire District reserves the right to correct inaccurate awards resulting from its clerical error.

9. **Rejection of Qualification Statements and Proposals** - Qualification statements and proposals are subject to rejection in whole or in part if they limit or modify any of the terms and conditions and/or specifications of the RFP.

10. **Changes to Qualification Statements and Proposals** - No additions or changes to the original qualification statement and proposal will be allowed after submittal.

11. **Contract Requirements** – A formal agreement will be entered into with the selected Respondent, as previously described. The contents of the proposal submitted by the successful Respondent and the RFP will become part of any contract award.

12. **Rights reserved to the Long Hill Fire District** – The Long Hill Fire District reserves the right to accept or reject any and all qualification statements and proposals in whole or in part, to waive technical defects, irregularities and omissions if, in its judgment, the best interests of the Long Hill Fire District will be served.

13. **Withdrawal of Qualification Statements and Proposals** – Negligence on the part of the Respondent in preparing the qualification statement and proposal confers no right of withdrawal after the time fixed for the acceptance of the qualification statement and proposal.
14. **Assigning, Transferring of Agreement** – The successful Respondent is prohibited from assigning, transferring, conveying, subletting or otherwise disposing of this agreement, its rights, title or interest therein or its power to execute such agreement by any other person, company, or corporation without the prior consent and approval in writing by the Long Hill Fire District.

15. **Cost of Preparing Qualification/Proposal Statements** – The Long Hill Fire District shall not be responsible for any expenses incurred by the organization in preparing and submitting a qualification statement. All qualification statements shall provide a straightforward, concise delineation of the firm’s capabilities to satisfy the requirements of this request. Emphasis should be on completeness and clarity of content.

**VII. INSURANCE REQUIREMENTS**

**A. GENERAL REQUIREMENTS**

- The Respondent shall be responsible for maintaining insurance coverage in force for the duration of the contract of the kinds and amounts listed below, with an insurance company with an AM Best Rating of A-,VIII or better licensed to write such insurance in the State of Connecticut and acceptable to the Long Hill Fire District.

1. The insurer shall provide the Long Hill Fire District with Certificates of Insurance, on a form acceptable to the Long Hill Fire District, signed by an authorized representative of the insurance company prior to the commencement of performance of this contract describing the coverage and providing that the insurer shall give the Long Hill Fire District written notice of at least thirty (30) days in advance of any termination, expiration, or any and all changes in coverage.

2. Such insurance or renewals or replacements thereof shall remain in full force during the Respondent’s responsibility under this contract and such policy will be an occurrence based policy and NOT a claims made policy.

3. The Respondent, at the Respondent’s own cost and expense, shall procure and maintain all insurances required and shall include the Long Hill Fire District as an Additional Insured on all such insurance, except Workers’ Compensation coverage. The Certificate of Insurance shall evidence all required insurances, including Additional Insured and Waivers of Subrogation. The Respondent shall also provide its policy endorsement indicating the Long Hill Fire District status as an additional insured.

4. In order to facilitate this requirement for insurance, it is recommended that the Respondent forward a copy of these requirements to the Respondent’s insurance representative(s).
B. SPECIFIC REQUIREMENTS

• MINIMUM SCOPE AND LIMITS OF INSURANCE:

1. **Workers’ Compensation insurance**: With respect to all operations the design-builder performs, it shall carry workers’ compensation insurance in accordance with the requirements of the laws of the State of Connecticut, and employer’s liability limits of Five Hundred Thousand Dollars (\$500,000.00) coverage for each accident, Five Hundred Thousand Dollars (\$500,000.00) coverage for each employee by disease, Five Hundred Thousand (\$500,000.00) policy limit coverage for disease. **Commercial General Liability**: With respect to all operations the design-builder performs, it shall carry Commercial General Liability insurance providing for a total limit of Five Million Dollars (\$5,000,000.00) coverage per occurrence for each site or project for all damages arising out of bodily injury, personal injury, property damage, products/completed operations, and contractual liability coverage for the indemnification obligations arising under this Agreement. Each annual aggregate limit shall not be less than Five Million Dollars (\$5,000,000.00). The limit may be provided through a combination of primary and umbrella/excess liability policies acceptable to Long Hill Fire District. **Automobile Liability**: With respect to each owned, non-owned, or hired vehicles, the design-builder shall carry Automobile Liability insurance providing One Million Dollars (\$1,000,000.00), combined single limit. **Contractor Construction Equipment Insurance**: Design-builder is required to provide insurance for all owned and/or rented equipment and any policies maintained by design-builder on its owned and/or rented equipment and materials shall contain a provision requiring the insurance carriers to waive their rights of subrogation against the Long Hill Fire District and all indemnities named in this Agreement.

2. **Excess Liability Coverage**: With respect to the coverage provided by design-builder for this Project, excess liability insurance will be provided in an amount not less than Two Million Dollars (\$2,000,000.00) per occurrence and annual aggregate basis.

3. If the property insurance requires deductibles, the deductible will be paid by the design-builder, Trade Contractor, or subcontractor or supplier or vendor responsible for such loss. If design-builder is solely determined responsible for such loss, the amounts allocated for Unforeseen Expenses may be used to cover the deductible amount. Design-builder shall be solely responsible for any and all deductibles arising out of any loss due to flood, earthquake, and windstorm, named storm, hail, volcanic eruption or terrorism. Partial occupancy or use in accordance with the Contract Documents shall not commence until the Long Hill Fire District and design-builder have received notice from the insurance company or companies providing property insurance that it, or they, have consented to such partial occupancy or use by endorsement or otherwise.
4. Design-builder and the Long Hill Fire District shall take reasonable steps to obtain consent of the insurance company or companies and shall, without mutual written consent, take no action with respect to partial occupancy or use that would cause cancellation, lapse or reduction of insurance.

5. Loss of Use Insurance: The Long Hill Fire District, at its option, may purchase and maintain such insurance as will insure the Long Hill Fire District against loss of use of its property due to fire or other hazards, however caused.

6. If the Long Hill Fire District requests in writing that insurance for risks other than those described herein or other special causes of loss be included in the property insurance policy, DESIGN-BUILDER shall, if possible, include such insurance and the cost thereof shall be added to this Agreement by change order.

7. Waiver of Subrogation: DESIGN-BUILDER waives all rights against the Long Hill Fire District for damages caused by fire or other causes of loss to the extent covered by property insurance obtained by DESIGN-BUILDER pursuant to its Agreement with the Long Hill Fire District or other property insurance applicable to the Work, except such rights as DESIGN-BUILDER may have to proceeds of such insurance held by the Long Hill Fire District as fiduciary. The DESIGN-BUILDER policies shall provide such waivers of subrogation by endorsement or otherwise. A waiver of subrogation shall be effective as to a person or entity even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, did not pay the insurance premium directly or indirectly, and whether or not the person or entity had an insurable interest in the property damaged. The waiver requirement includes, but is not limited to, insurance coverage provided by private sector insurers and self-insured contractors or corporations.

8. A loss insured under DESIGN-BUILDER’s property insurance shall be adjusted by DESIGN-BUILDER as fiduciary and made payable to DESIGN-BUILDER as fiduciary for the insureds.

9. Acceptability of Insurers: DESIGN-BUILDER’s policies shall be written by insurance companies licensed to do business in the State of Connecticut, with an AM Best rating of A-VII or otherwise acceptable by the Long Hill Fire District.

10. Trade Contractors: DESIGN-BUILDER shall require all trade contractors to provide the same "minimum scope and limits of insurance" as required herein. Furthermore, Errors and Omissions/Professional Liability insurance 'shall only be required of subcontractors if such insurance is applicable to the Work performed by the particular subcontractor.

11. Aggregate Limits: Any aggregate limits must be declared to and be approved by the Long Hill Fire District. It is agreed that DESIGN-BUILDER shall notify the Long Hill Fire District whenever fifty percent (50%) of the aggregate limits are eroded during the required coverage period. If the aggregate limit is eroded for the full limit, DESIGN-BUILDER agrees to reinstate or purchase additional limits to meet the minimum limit requirements stated herein. Any premium for such shall be paid by DESIGN-BUILDER.
12. Deductibles and Self-Insured Retentions: Any deductible or self-insured retention must be declared to and approved by the Long Hill Fire District. All deductibles or self-insured retentions are the sole responsibility of DESIGN-BUILDER to pay and/or to indemnify.

13. The parties agree that the amounts of insurance under this Agreement do not, in any way, limit DESIGN-BUILDER's liability to the Long Hill Fire District by virtue of this promise to indemnify and hold the Long Hill Fire District harmless so that in the event of any settlement of a claim or a judgment in an amount in excess of the amount of insurance coverage carried by DESIGN-BUILDER, DESIGN-BUILDER shall be liable to the Long Hill Fire District for the difference, plus all fees and expenses incurred in collecting same, all at DESIGN-BUILDER's sole cost.

14. Errors and Omissions Insurance: DESIGN-BUILDER shall provide and maintain Errors and Omissions Insurance with minimum limits of $3,000,000 per occurrence/annual aggregate. The policy shall not have a deductible greater than $75,000.00. Coverage shall be maintained in effect continuously for a period of at least six (6) years from the date of Final Payment by Owner to DESIGN-BUILDER.

• OTHER DATA

The Long Hill Fire District reserves the right to amend amounts of coverage required and types of coverage provided based on work or service to be performed. DESIGN-BUILDER shall furnish payment and performance bonds in the penal sum of the total amount of the Work. Bonds shall be provided by sureties licensed to conduct surety business in the State of Connecticut and rated at least A- by A.M. Best.

• ADDENDA

It is the responsibility of each firm to verify prior to final submittal of a proposal if any addenda to this request have been issued. Any addenda to this request shall be posted on the Long Hill Fire District website www.longhillfiredistrict.org under the New Firehouse Construction section or call the Office Manager directly 203-452-0779 for inquiries regarding addenda.
